MEMORANDUM IN SUPPORT

Dynamic Energy L.L.C. respectfully requests that the Commission extend the effectiveness of Dynamic Energy L.L.C.'s Certification for Aggregators/Power Brokers, Certificate No. 11-406E (1) due to an inadvertent oversight, Dynamic Energy L.L.C. application for renewal of its certificate was not timely filed and is due for cancellation. Since the Commission has 30 days to review the application for renewal filed today, an extension is necessary to ensure continuity of certification.

Dynamic Energy L.L.C. assists companies in achieving energy procurement savings in values of price and reliability. Dynamic Energy L.L.C.'s Certification for Aggregators/Power Brokers was first approved on November 13, 2011. It is reasonable for the Commission to extend Dynamic Energy L.L.C.'s certification. Granting Dynamic Energy L.L.C.'s request for extension of certification expiration date until its certificate is renewed will allow Dynamic Energy L.L.C. to continue to serve its members if needed and avoid the administrative upheaval that could occur if its certification is cancelled.

Dynamic Energy L.L.C. respectfully requests that the Commission grant its Motion for Extension of Certification Expiration Date.

Respectfully submitted on behalf of
Dynamic Energy L.L.C.
