Re: Letter of Notification of Compliance for Northwest Ohio Wind Energy, LLC, Case No. 13-0197-EL-BGN, for "Staff Report Condition #10, Completion of Construction"

Dear Ms. McCauly:

Joint Exhibit 2 to the October 28, 2013 Joint Stipulation and Recommendation by Northwest Ohio Wind Energy, LLC ("Northwest"), the Ohio Power Siting Board Staff ("OPSB Staff") and the Ohio Farm Bureau Federation identified an agreed upon set of conditions and commitments pertaining to select access roads to be constructed after a first pre-construction conference.

Within this set of conditions and commitments, "Staff Report Condition #10" requires that:

As the information becomes known, the Applicant shall provide to Staff the date on which construction will begin, the date on which construction was completed, and the date on which the facility begins commercial operation.

This letter is to inform the OPSB Staff that Northwest is in compliance with the above mentioned commitment. The construction of the select access roads was completed on December 27, 2013. A member of the OPSB Staff, Ms. Christina Burri, also completed a site visit on that day.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
