Mrs. Barcy McNeal  
Commission Secretary  
The Public Utilities Commission of Ohio  
180 East Broad Street  
Columbus, OH 43215

SUBJECT: Case Nos. 09-1820-EL-ATA

Dear Mrs. McNeal:

Enclosed please find the pilot CEI Residential Critical Peak Pricing Rider (Rider RCP). This Rider is being filed in compliance with the Commission Finding & Order dated May 15, 2013. The actual RCP tariff charges will be filed when the Generation Rider (Rider GEN) is updated for the June 1, 2014 effective date because the rider charges are derived from generation pricing.

Please file the attached pages on behalf of The Cleveland Electric Illuminating Company in the above mentioned Case No. 09-1820-EL-ATA.

Thank you.

Sincerely,

Eileen M. Mikkelsen  
Director, Rates & Regulatory Affairs

Enclosures

**RIDER RCP**  
**Residential Critical Peak Pricing Rider**

**AVAILABILITY:**

This Rider is only available to those customers taking service at service locations within the particular Ohio geographic area identified in FirstEnergy's Smart Grid Modernization Initiative filed by the Company with the Department of Energy. The Rider is not available to customers during the period the customer takes generation service from a certified supplier or during the period the customer is taking service under the Peak Time Rebate Rider. Participation is limited to 250 customers who enroll on a first come first serve basis.

The experimental Residential Critical Peak Pricing (RCP) Rider shall be applied in lieu of the Generation Service Rider (GEN) to customers participating in this voluntary experimental program.

The Rider RCP charge shall reflect time-of-day pricing or critical peak pricing, for all kWh per kWh, for summer months only. For the winter months, the Rider RCP charge shall reflect non time differentiated pricing for all kWh per kWh, as shown below:

**RATE:**

The following charges will be applicable to customers taking service under this Rider in lieu of Generation Service Rider charges. All other rates schedules and riders that apply to a customer taking Standard Service Offer Generation Service shall apply to customers taking service under the Residential Critical Peak Pricing Rider.

Summer Charges per kWh (Capacity and Energy Charges)\*

	<u>Off-peak</u>	<u>On-peak</u>	<u>Critical Peak</u>
RS	XXXXX¢*	XXXXX¢	XXXXX¢

Winter Charges per kWh

	<u>Capacity Charges</u>	<u>Energy Charges</u>
RS	XXXXX¢	XXXXX¢

\*Actual Charges will be filed prior to the effective date

Summer On-peak period shall be 7 a.m. to 11 p.m. EDT, Monday through Friday, excluding holidays and periods when Critical Peak Summer Charges apply.

Holidays are defined as New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

The Critical Peak Period shall be 1 p.m. to 7 p.m. EDT for up to fifteen (15) Critical Peak Periods as determined solely by the Company during the summer of 2014. The hours of 7 a.m. to 1 p.m. and 7 p.m. to 11 p.m. EDT during the same day as the Critical Peak Periods shall be defined as Summer On-peak hours.

Summer Off-peak period shall be all hours when Summer Charges apply that are not Summer On-peak or Critical Peak Period hours.

For billing purposes, the Winter Charges shall be applicable beginning with service rendered September 1 through service rendered for May 31. The Summer Charges shall apply in all other billing periods.

**RIDER RCP**  
**Residential Critical Peak Pricing Rider**

**METERING**

The customer must have an AMI meter defined as an automated meter with two-way communication capability.

**NOTIFICATION:**

For Critical Peak Periods, the Company will endeavor to notify RCP customers by 6 P.M. the day before the Critical Peak Period commences, or as soon as practically possible thereafter. Notification of a Critical Peak Period consists of an electronic message issued by the Company to a device or devices such as telephone, facsimile, pager or email, selected and provided by the customer and approved by the Company. Operation, maintenance and functionality of such communication devices selected by the customer as well as receipt of notifications of Critical Peak Periods shall be the sole responsibility of the customer.

**TERM:**

This Rider shall expire with service rendered through August 31, 2014, unless earlier terminated by the Company with approval by the Commission.

A customer may terminate their participation in this Rider, effective with the next scheduled meter reading following at least 12 days notice to the Company by the customer.
