The Ohio Power Siting Board

180 E. Broad St.

Columbus, Ohio 43215

Project: Scioto Ridge Wind Farm

Company: Hardin Wind, LLC, a subsidiary of EverPower Wind Holdings

Ohio Power Siting Board:

This letter is to inform you that the McDonald Township Trustees, Hardin County, have unanimously voted to adopt a resolution to oppose the wind turbines that have been mapped out in our rural township. This action was taken at our regular meeting on January 27, 2014. Several area residents were present to voice their concerns about this project and the impact it would have in our township.

As township officials we are stewards of the activities that develop with each resident. We are concerned about the wear and tear that will surely happen on our narrow road system. We know that very large, oversized loads will be traveling our roadways and this is of great concern for the safety of the farmers and residents that will be sharing these roads.

The McDonald Township Trustees and residents respectfully ask that the OPSB deny the application for the proposed Scioto Ridge Wind Farm. Thank you in advance for your assistance in this matter.
