Case No: 13-1177- EL-BGN, ¹³~~11~~-1767-EL BSB, ¹³~~11~~-1768-EL BTX
Project: Scioto Ridge Wind Farm
Company: Hardin Wind, LLC, a subsidiary of EverPower Wind Holdings

This letter is to inform you the Taylor Creek Township Trustees, Hardin County, have unanimously voted to adopt a resolution to oppose the wind turbines that have been mapped out in our rural township. This action was taken at our regular meeting on February 1, 2014. Several area residents were present to voice their concerns about this project and the impact it would have to our township.

As township officials we are stewards of the activities that develop with our residents. We have several concerns about the safety of our road ways and residents if this project continues on. We know that very large, oversized loads will be traveling on our narrow roadways and this is of great concern for the safety of the farmers and residents that will be sharing these roads.

The Taylor Creek Township Trustees and residents respectfully ask that the OPSB deny the application for the proposed Scioto ridge Wind Farm. Thank you in advance for your assistance in this matter.

Sincerely,

Taylor Creek Township Trustees
