Subject: Your Solar System

Mr. Regan –

Last summer, Mr. Kevin Wisor submitted an application for your solar system to be an “Ohio Renewable Energy Resource Generating Facility” (Application No. [13-1440-EL-REN](#)). This application gives you a certificate so that you can earn and sell solar (renewable energy credits) RECS in Ohio. In January 2014, Sol Systems submitted a duplicate application. When you have a chance, would you please reply to this email or send a letter stating your intention to have your solar system (located at 15605 Howe Road) represented by either Mr. Kevin Wisor or Sol Systems?

Please contact me if you have any questions or need further clarification.

Thanks.

Sincerely,

Andrew Conway, P.E.
