Re: *In the Matter of the Application of the Fuel Adjustment
Clauses for Ohio Power Company*, Case No. 13-1892-
EL-FAC; *Ohio Power Company*, Case No. 89-6007-EL-
TRF

Dear Ms. McNeal:

Enclosed are Ohio Power Company's compliance tariffs, which are being filed in accordance with the Commission's Finding and Order dated March 19, 2014 in Case Nos. 13-1892-EL-FAC *et al.* AEP Ohio notes that, while the Company's filing approved in the Finding and Order contained rates that went out to eight decimal points of precision, its billing system can only handle seven decimal points – so the rates in the attached tariffs were rounded accordingly.

Thank you for your attention to this matter.

Regards,

/s/ Steven T. Nourse
