Docket 11-5404-EL- CRS  
Supplemental Exhibit C-4

Dear Sir or Madam:

South Jersey Industries (SJI) is the parent company of South Jersey Energy Company (SJE). SJE has applied for renewal of its license as a third party electric supplier in the state of Ohio. I have been advised that the Commission requires evidence that SJI will guarantee SJE's obligations.

This correspondence confirms that SJI hereby undertakes the financial obligation of applicant, South Jersey Energy Company, for conduction Competitive Retail Electric Service in the state of Ohio. SJI's obligation will be evidenced and governed by a parental guarantee with terms mutually agreeable to the parties.

Please feel free to contact me with any questions or concerns.

Very truly yours,
