ENTRY

The attorney examiner finds:

- (1) On March 7, 2014, the attorney examiner issued an Entry establishing a procedural schedule in these matters that included March 24, 2014, as the deadline for filing motions to intervene.
- (2) On March 19, 2014, The Ohio Manufacturers' Association Energy Group (OMAEG) filed a motion to intervene in these cases. In support of its motion, OMAEG states that it represents members of the Ohio Manufacturers' Association and that these cases may adversely affect its members' interests. OMAEG further submits that its participation will not unduly prolong or delay the proceedings and that its advocacy will significantly contribute to the full development and equitable resolution of the issues. No memorandum contra was filed in opposition to the motion to intervene.
- (3) The attorney examiner finds that OMAEG's motion to intervene is reasonable and should be granted.

It is, therefore,

ORDERED, That OMAEG's motion to intervene be granted. It is, further,

ORDERED, That a copy of this Entry be served upon all parties and interested persons of record in these dockets.
