## MEMORANDUM IN SUPPORT

---

AP Gas & Electric intends to file its initial Alternative Energy Resource Portfolio Standard Report in April of 2014 for calendar year 2013. As this is the first time that it has gathered the information, AP Gas & Electric is finding that it is taking more time than it anticipated. It intends to prepare and file such a report, but due to the press of other business will not be able to make a timely filing. Rule 4901:1-40-05(A) of the Ohio Administrative Code establishes a deadline of April 15 for the filing of such reports. AP Gas & Electric submits that good cause exists for granting the requested extension of seven business days.

WHEREFORE, AP Gas & Electric (OH), LLC respectfully requests that the Commission grant its motion for an extension of time to file its 2013 Alternative Energy Resource Portfolio Standard Report until April 25, 2014.

Respectfully submitted,
