Re: REN Case # 13-0256-EL-REN, Pettisville Local Schools

Dear Mr. Siegfried,

Due to an unexpected cost, Pettisville Local Schools has decided to file an application with GATS instead of MRETS as originally listed in the Application. This is a written notice for the case record to show this change.

We have been in contact with GATS concerning the change in attribute tracking systems and RECs that have been created prior to this change in the certificate. It is our understanding they will honor the previous RECs based on the date of the Public Utilities Commission of Ohio's original Certification Date.

Please reflect this change and issue a revised certificate for our records.

Should you have any additional questions or needs, please do not hesitate to contact me.

Thank you in advance for your assistance with this issue.

Respectfully,

Krystal Naylor
Business Manager
