MEMORANDUM IN SUPPORT

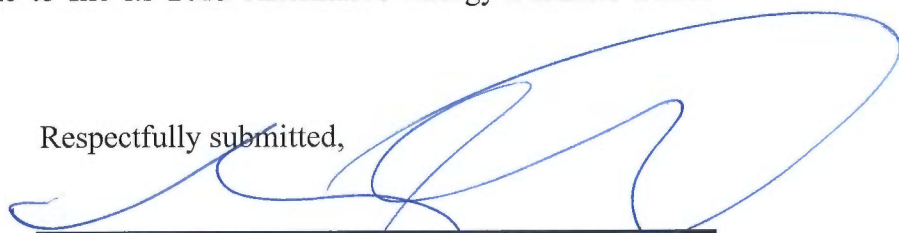

As a competitive retail electric service provider and electric services company (as defined in Ohio Rev. Code 4928.01(A)(4) and 4928.01(A)(9), respectively) Censtar is required to file, by April 15th of each year, an annual alternative energy portfolio status report.¹ Ohio Admin. Code 4901:1-40-02(B) provides: “[t]he commission may, upon an application or a motion filed by a party, waive any requirement of this chapter, other than a requirement mandated by statute, for good cause shown.” The April 15th filing deadline is imposed by virtue of the Commission’s rules in Admin. Code 4901:1-40 *et seq.*, not any statutory provision contained in the corresponding Revised Code Section 4928.64. Accordingly, the Commission has discretion to waive the April 15th filing deadline and grant Censtar an extension to file its status report by May 15th.

Good cause exists to grant Censtar an extension to file its status report. Although Censtar intended to timely file this report, an oversight resulted in the company’s inability to complete a timely filing. In addition, as the 2013 is the first calendar year during which Censtar has been required to gather and compile the relevant information, Censtar is finding that gathering said information is taking longer than expected. Consequently, Censtar submits that it is in need of an extension until May 15, 2014, to fully comply with its alternative energy status portfolio reporting obligations.

¹ Admin. Code 4901:1-40-05(A).

WHEREFORE, Censtar Energy Corporation respectfully requests that the Commission grant its Motion for an extension of time to file its 2013 Alternative Energy Portfolio Status Report, until May 15, 2014.

Respectfully submitted,

Margeaux Kimbrough (0085152)
