**LIST OF ISSUES**

---

Stokes Farms, Inc. intervened in this proceeding to protect its interest that the Hayes-West Fremont Transmission Line be installed along the preferred route. The Staff Report of Investigation issued May, 6, 2014, recommended the preferred route to the Ohio Power Siting Board. For this reason, pursuant to the Administrative Law Judge Entry of March 18, 2014, Stokes Farms provides notice that, at this time, it has no concerns that would result in cross examination at the evidentiary hearing to be held June 2, 2014. However, Stokes Farms reserves its right to cross examine witnesses upon review of direct testimony and other pleadings filed in this proceeding.

Respectfully submitted on behalf of  
STOKES FARMS, INC.
