Urgent Notice Regarding Southern New England Telephone and SNET America, Inc.
NOTICE OF DISCONTINUANCE OF CALLING CARD SERVICE
Effective 5/15/2014

Thank you for using AT&T for your business service needs. We want to make you aware of planned changes to the Southern New England Telephone (SNET) and SNET America, Inc. (long distance) Calling Card service.

Pending state and regulatory approval where applicable, on or after May 15, 2014, The Southern New England Telephone Company d/b/a AT&T Connecticut and SNET America Inc., d/b/a AT&T Long Distance East will no longer offer Calling Card service throughout the United States, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, the Northern Mariana Islands, American Samoa, and all International countries.

For customers under a term agreement for intrastate or interstate services from either of the above-referenced companies, per the terms and conditions of your agreement, this letter serves as written notice that AT&T is discontinuing the calling card feature from your service arrangement, including any optional calling plan service being subscribed to.

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communication Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of SNET America Inc., d/b/a AT&T Long Distance East. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service. You may contact the CT Public Utilities Regulatory Authority, 10 Franklin Sq., New Britain, CT 06051, (800) 382-4586, regarding service within CT.

If you have any questions regarding this change please contact M. E. Johnson, at 2000 W. AT&T Center Dr., Rm. 2C60, Hoffman Estates, IL 60192.

We appreciate your understanding and look forward to serving your business needs.
