RESPONSE OF DAIFUKU AMERICA CORPORATION TO AT&T's MOTION TO DISMISS

As noted in AT&T's Motion to Dismiss, the Commission has permitted corporations to file complaints before the Public Utilities Commission of Ohio and has permitted non-attorney officers or employees of a corporation to pursue such complaints through the prehearing settlement phase. Daifuku America requests permission to proceed in that fashion with respect to this matter. To the extent the Commission will not allow Daifuku America to proceed in that fashion, Daifuku America respectfully requests leave and sufficient time to retain Ohio counsel to represent it.

Respectfully submitted,

Daifuku America Corporation
