Extension Request – Annual Report 2013

We hereby request an extension for filing our annual reports for 2013 until June 30, 2014 for both the steam and cooling companies because the person that normally prepares this report has resigned and we are a small utility and need additional time in which to prepare and file. We talked to a person at the Docketing Division that said that this is the procedure.

Please confirm by email that an extension is possible.

Sincerely,

A handwritten signature in cursive script, appearing to read "Carl E. Avers".
