Dear Resident or Small Business:

In November 2009, Symmes Township voters authorized the Township's creation of a natural gas aggregation program. Symmes Township selected Integrys Energy Services – Natural Gas, LLC ("Integrys Energy Services") to supply gas to the Township's Program.

You are receiving this mid-year program refresh letter to provide you with an immediate opportunity to participate in the program that the Township has made available for you. You will also receive the annual opt-out notice later in the year.

You will be automatically enrolled in the program unless you opt out by July 7, 2014. Your service is estimated to commence with your August 2014 billing. This is an estimate only and will depend upon your meter read cycle and when your local utility accepts your enrollment.

How You Benefit

Symmes Township's Trustees have elected to offer the Locked-In Price with Flex Down OpportunitySM Rate. Unless you opt out of the program, you will automatically be enrolled in the Township's Program at the Locked-In Price with Flex Down OpportunitySM Rate.

Please see the enclosed Terms and Conditions for full details regarding this rate option and other terms of the program such as program term and eligibility.

Billing / Service Delivery Unchanged

Other than the price and supplier, nothing regarding your natural gas service will change. You will continue to receive one monthly bill from Duke Energy - Ohio. Duke will continue to deliver your natural gas and be responsible for maintaining the system that delivers natural gas to your home.

Enrollment Information

After your enrollment is finalized, Duke Energy - Ohio will send you a letter confirming your enrollment. As required by law, this letter will inform you of your ability to rescind your enrollment without penalty.

Three things you should know

- ✓ If you do nothing, you will be automatically enrolled in Symmes Township's Program.
- ✓ Duke Energy - Ohio will continue sending monthly bills, responding to outages, and delivering your natural gas.
- ✓ No one from Symmes Township's program will ever come to your door to ask you to switch to a new supplier. Anyone who comes to your door asking you to switch is NOT with Symmes Township's program.

SAMPLE TERMS AND CONDITIONS

OPT OUT NOTICE - TERMS AND CONDITIONS

Symmes Township, pursuant to the aggregation authority conferred upon it by Ballot Issue, which passed by a majority of the vote on November 3, 2009, selected Integrys Energy Services – Natural Gas, LLC ("Seller") to supply the aggregation and to administer enrollments as described below. **IF YOU DO NOT WISH TO PARTICIPATE, YOU MUST OPT-OUT BY RETURNING THE POSTCARD POSTMARKED NO LATER THAN JULY 7, 2014, BY GOING ON-LINE AT**

WWW.INTEGRYSENERGY.COM/SYMMES, OR BY CALLING OUR TOLL FREE NUMBER (877) 780-1153 BY JULY 7, 2014.

You, the account holder (also referred to as "Buyer") for the account referenced on the letter accompanying this Opt Out Notice (the "Account"), and Seller agree to the following terms and conditions (the "Agreement").

1. Enrollment: Enrollment is automatic for those who are eligible, but participation is voluntary. **IF YOU DO NOT WISH TO PARTICIPATE, YOU MUST OPT-OUT BY RETURNING THE POSTCARD POSTMARKED NO LATER THAN JULY 7, 2014, BY GOING ONLINE AT WWW.INTEGRYSENERGY.COM/SYMMES, OR BY CALLING OUR TOLL FREE NUMBER BY JULY 7, 2014.**

Eligibility: To be eligible for automatic aggregation, Buyer and the Accounts to be served (i) must be located within the jurisdictional boundaries of Symmes Township and Duke Energy - Ohio ("Utility"), (ii) may not be under contract with another competitive supplier, (iii) may not be a mercantile customer or a PIPP customer (Percentage of Income Payment Plan program customers), and (iv) must be in good credit standing with the Utility.

Rescission Period: Upon Buyer's successful enrollment, the Utility will send Buyer a letter confirming the transfer of service. Buyer may cancel its enrollment without penalty within seven (7) business days of the postmark date of that letter ("Rescission Period") by contacting the Utility in writing or by telephone as noted in that letter.

2. Delivery Period: Service shall begin as soon as the Utility accepts your enrollment. Service shall continue at the Price noted herein through the November 2014 meter read date. Prior to the end of the initial Delivery Period, Seller shall provide Buyer notice of any changes to the terms and conditions of this Agreement that apply to service during the next Delivery Period. If renewal is indicated in the expiration notice, service will renew at the terms stated in the renewal notice unless Buyer affirmatively terminates the Agreement upon the expiration as provided in the notice. Buyer shall have the opportunity to opt-out of the Aggregation Program at least every two (2) years without penalty.

3. Supplier's and Utility's Role: Seller agrees to sell to Buyer and deliver to the Utility, and Buyer agrees to purchase from Seller and receive from the Utility, Buyer's full requirements of natural gas for the accounts listed on the Enrollment Notice ("Accounts"). The Utility will deliver the natural gas to the Accounts and shall invoice and collect Seller's charges. Seller does not impose credit or deposit requirements. The Utility's billing and payment procedures shall apply in accordance with the applicable tariff, including but not limited to, the Utility's right to assess late payment fees and to disconnect gas service for past due charges. The Utility or Seller may terminate your service under this Agreement for non-payment with at least fourteen (14) days written notice. Seller may cause the Utility to correct previous invoices in the event of invoicing errors. Buyer should contact the Utility in the event of a natural gas emergency.

4. Price: Initially, the price for the Locked-In Price with Flex Down OpportunitySM Rate will vary monthly with no price cap. The Locked-In Price with Flex Down OpportunitySM Rate will be calculated based on a formula including a Delivery Adder as calculated by Seller and the "Market Settlement" price defined below. The Delivery Adder is based upon several factors, including, but not limited to: the monthly market price for transportation to the point of delivery, shrinkage, Btu adjustment and pooling fees. When the Symmes Township Trustees and Seller establish a price cap for the Locked-In Price with Flex Down OpportunitySM Rate, Seller will provide Buyer with notice, including the period of time within the Delivery Period during which the rate applies. However, if you contact Seller by calling our toll-free telephone number, (877) 780-1153, you can request the Monthly Variable Rate for the entire Delivery Period. Both rates may change monthly based on current Market prices.

The Locked in Price with Flex Down OpportunitySM Rate is calculated based upon the sum of the weighted average "Market" prices when the price cap is locked by the Symmes Township Trustees, plus a Delivery Adder as calculated by Seller for the Delivery Period. Each month, Seller will compare the cap to the then-current weighted average Market price for the remainder of the Delivery Period and may adjust the monthly price to account for a downward or upward pricing trend within the Delivery Period, however *the price with the Locked-In Price with Flex Down OpportunitySM Rate will never exceed the cap during the Delivery Period.*

The Monthly Variable Rate is calculated based upon the Market price for the delivery month plus the Delivery Adder. The Monthly Variable Rate has no cap.

The "Market" price is a current price for the relevant month's natural gas futures contract that is traded on the New York Mercantile Exchange ("NYMEX") on the day the price is determined. The "Market Settlement" price is the Market price at settlement for the relevant month as determined by NYMEX.

The Price includes all gas supply costs to the Utility and some pass-through charges from the Utility to the burnertip, including, but

not limited to, btu factor and shrinkage. If the pass-through charges from the Utility increase, or if new charges are approved by a governmental agency with jurisdiction and passed through, or if existing tariff charges are administered differently and the pass-through charges from the Utility increase, the Price will increase accordingly. There are no recurring or nonrecurring supplier charges that are billed in addition to the Price. A switching fee may apply under the terms of the Utility's tariff. **Seller shall not charge you separately for any switching fees.** The Price does not include Taxes (as defined below) or Utility distribution charges.

5. **Taxes:** Buyer is responsible for all state and local sales, use, revenue, gross receipts, commercial activity, excise and/or ad valorem tax (collectively, "Taxes") and shall reimburse Seller if Seller is required to remit such Taxes in connection with this Agreement. Tax exempt customers wishing to participate are requested to please send their most recent tax exempt certificate on or before July 7, 2014 to: Integrys Energy Services – Natural Gas, LLC, 1716 Lawrence Drive, De Pere, WI 54115 or fax to 920-272-4244. Be sure to note Symmes Township Aggregation Program on the certificate. Integrys Energy Services – Natural Gas, LLC will not charge sales tax starting with the date the certificate is received.

6. **Customer Information:** Seller will not request a deposit or investigate your credit history to establish service. Seller shall not disclose Buyer's social security number without (i) Buyer's affirmative written or electronic authorization or (ii) pursuant to a court order or by PUCO order or rule. Upon request of Buyer, Seller will provide up to 24 months of Buyer's payment history without charge.

7. **Termination; Remedies:** (a) This Agreement will automatically terminate or Buyer may terminate the Agreement without penalty if (i) the requested service location is not served by the Utility or (ii) Buyer, or the applicable Account being served, moves outside the Utility service area or to an area not served by Seller.

(b) This Agreement will terminate upon written notice, but without penalty to Buyer if, (i) competitive retail natural gas service is no longer available due to a change in regulation, tariff, or law, or (ii) Seller defaults, which includes, an unexcused failure to deliver natural gas under the terms of this Agreement.

(c) An "Early Termination" shall occur if this Agreement is terminated (i) by Buyer to select a different price or rate plan after the Rescission Period but prior to the end of the Delivery Period, or for any other reason other than those listed in (a)-(b) above or (ii) by Seller due to Buyer's default, which includes a failure to pay or an unexcused failure to receive natural gas under the terms of this Agreement. In the event of an Early Termination, Seller may charge a termination fee of \$25. Buyer agrees to pay Seller for Early Termination within ten (10) calendar days of the invoice date to the payment address noted on the invoice, or as otherwise agreed upon by Buyer and Seller. No termination fee is due if Buyer is on the Monthly Variable Rate, remains a customer of Seller, but selects a different Rate Plan. If Buyer returns to the Utility after the Rescission Period, Buyer may not be served on the same rates, terms and conditions that apply to the Utility's Standard Service Offer.

Seller may return Buyer to Utility service upon notification of a Force Majeure event preventing performance.
