

Case No. 14-0324-EL-REN

Kenston Local Schools EIS Solar Array

Staff Interrogatories – Initial Set

Question 1: In section **G.2** of the application you indicated that the output of the facility is going to be measured by using a utility grade meter but did not indicate how that information will be verified. Please provide a detailed description of how the output of the facility is going to be verified.

Answer 1: The information will be verified/input into the PJM/GATS system as indicated in Section K.

Question 2: In the affidavit on page 10 of the application, the Notary Public indicated that their commission expires on 11/27/2014 AND on 11/27/2016. Please verify which date is correct.

Answer 2: 11/27/2016 is the correct expiration date. She inadvertently wrote 11/27/2014 when dating the signature.
