In the Matter of the Application of Hardin Wind LLC for a Certificate of Environmental Compatibility and Public Need for a 345kV Transmission Line in Hardin County - Case No. 13-1768-EL-BTX

Mr. Chairman and Members of the Ohio Power Siting Board:

I write to inform you of my opposition to the proposed Scioto Ridge Wind Farm project to be sited in Logan County and Hardin County. I am a resident of Logan County and live in close proximity to Indian Lake and the Indian Lake State Park. I believe that the installation of the wind turbines will have a negative impact on my community. Please reconsider your decision to locate the Scioto Ridge Wind Farm so close to Indian Lake.

This project has no value to the local community, and it ruins the pristine views around the Indian Lake area!

Sincerely,
Bob Steckhan
