COMMENT DESCRIPTION:

I'm a Trustee and Secretary of the Calcutta UP Cemetery. I'm commenting on AEP's Storm Damage Recovery Rider. As I understand this, all non-residential customers are charged the same flat rate for 12 months, added onto the Distribution Service charge. At the same time, AEP was granted a rate increase to their Distribution Service charge. This becomes a 35% increase to the cemetery's electric bill. The cemetery is now being charged roughly three times the cost of the electricity used for the Distribution Service. This is a small, non-profit cemetery. I wish the PUCO had come up with a more equitable way of charging AEP's non-residential customers for restoration costs for storm damage.
Jennifer Boyd, Secretary Calcutta UP Cemetery
