**Case No. 14-0940-EL-REN
Dimmett-Larry-IN-PV-10kW Residence
Staff Interrogatories – Initial Set**

Question 1: In Section G.4 of the facility application, the facility location is described as being on a roof. However, in Section G.3, the submitted image of the facility depicts its location as being on the ground. Please verify that the facility is located on the ground and the image is correct, or submit a new image depicting the facility as being on a roof.

Answer 1: The project should be listed as a ground mount system.

Please let me know if you have any further questions and thank you for your cooperation.

Best,
