COUNSEL FOR OHIO ENERGY GROUP

**BEFORE THE
PUBLIC UTILITIES COMMISSION OF OHIO**

In The Matter Of The Application Of Dayton Power And Light : Case No. 13-2420-EL-UNC
Company For Authority To Transfer Or Sell Its Generation :
Assets :

**MEMORANDUM IN SUPPORT OF
THE OHIO ENERGY GROUP'S MOTION FOR CONFERENCE**

As explained in DP&L's Notice of Updated Development, AES Corporation ("AES") recently decided to retain 2,897 MW of generating capacity owned by DP&L and to transfer that capacity to a separate DP&L affiliate by January 1, 2017. In light of this decision, the Attorney Examiner should schedule a conference among the parties in this case. This would provide the parties an opportunity to discuss how AES' recent decision impacts the issues raised heretofore in this case and, potentially, to expeditiously resolve some of those issues. Further, by allowing parties to address the impacts of AES' recent decision in a conference setting, the Attorney Examiner may be able to avoid the protracted litigation that would result from scheduling additional comment/reply comments opportunities. If any issues are resolved among the parties as a result of the conference, then Staff could subsequently provide a status update to the Attorney Examiner.

Respectfully submitted,

David F. Boehm, Esq.

Michael L. Kurtz, Esq.

Jody Kyler Cohn, Esq.
