MEMORANDUM IN SUPPORT

The City of Celina ("Celina") was issued Certificate No. 04-087G(5) it to provide natural gas to its constituents as an Ohio government aggregator for the two-year period commencing July 24, 2012 and ending July 24, 2014. Unfortunately, due to an inadvertent administrative error, Celina failed to file its renewal application by the filing deadline of July 24, 2014. The Commission will receive a filed copy of Celina's 2014 renewal application by August 24, 2014. There have been no material changes in Celina's business practices as defined in Rule 4901:1-1-24-10 of the Ohio Administrative Code ("OAC").

Celina respectfully requests that the Commission extend Certificate No. 04-087G(5) to September 24, 2014. Celina apologizes for this administrative oversight and pledges that all reports and certifications required by the Commission will be timely filed in the future.

The Commission has plenary authority to extend the expiration date of Celina's certificate for good cause shown. As demonstrated above, Celina's tardiness in filing its Renewal Application was solely due to an inadvertent administrative error. Moreover, Celina's business practices have not changed in any material respect since its last certification was filed in 2012. Consequently, Celina respectfully requests an extension of the expiration date of its certification.

Respectfully submitted,

George E. Moore 0082391
Attorney for the City of Celina
