THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Alternative Energy)
Portfolio Status Report for 2012 of Direct) Case No. 13-933-EL-ACP
Energy Source, LLC.)

ENTRY

The Commission finds:

- (1) Direct Energy Source, LLC (DES or Company) is an electric services company as defined in R.C. 4928.01(A)(9) and, as such, is subject to the jurisdiction of this Commission.
- (2) Ohio Adm.Code 4901:1-40-05(A) requires each electric services company to annually file by April 15 an annual alternative energy portfolio status report (AEPS report), unless otherwise ordered by the Commission.
- (3) On April 16, 2013, DES filed its 2012 AEPS report, in which it reports that the Company had no Ohio retail sales for the years 2009 through 2012, and filed to abandon its supplier certification on April 26, 2012 in Case No. 12-1304-EL-ABN.
- (4) Ohio Adm.Code 4901:1-40-02(A) expressly provides that any entity that does not serve Ohio retail electric customers shall not be required to comply with the AEPS rules. As DES did not serve Ohio retail electric customers in 2012, the Company did not have any AEPS reporting or compliance obligations for 2012, and need not have filed a report.

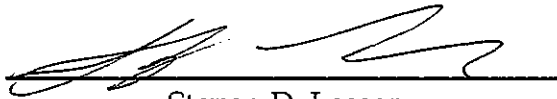

It is, therefore,

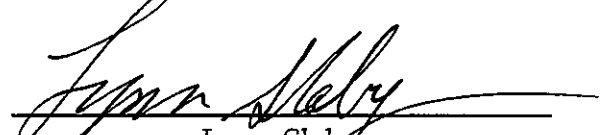

ORDERED, That this case be closed. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
