MOTION TO CONTINUE SETTLEMENT CONFERENCE

Now comes the Dayton Power and Light Company ("DP&L" or "Respondent"), by and through counsel, and respectfully requests that the Settlement Conference scheduled for August 20, 2014 be continued and rescheduled at a later date due to the inability of Complainant to travel and in light of informal discovery that is being conducted and that cannot be completed before the scheduled date. A Memorandum in Support is attached.

Respectfully submitted,

MEMORANDUM IN SUPPORT

Complainant and Respondent participated in a teleconference on August 18, at which time Complainant disclosed that due to an injury she was off work and that travel to Columbus at this time would be a physical hardship. Complainant authorized Respondent to request a continuance of the settlement conference scheduled for August 20 to a later date. In addition, Complainant has requested additional documents from Respondent which Respondent is endeavoring to provide but will not be able to do so as of the scheduled date of the settlement conference.

Once Complainant advises Respondent that she is physically able to participate in the settlement conference and after Respondent has provided Complainant with the documents requested in its possession, Respondent will advise the Attorney Examiner of dates that both Complainant and Respondent will be available to participate in a rescheduled settlement conference.

Respectfully submitted,
