THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of)
Camplands Water LLC for an Increase in) Case No. 13-1690-WW-AIR
its Rates and Charges.)

ENTRY

The Commission finds:

- (1) This Commission's Opinion and Order, journalized June 4, 2014, directed the Applicant, Camplands Water LLC, to submit for Staff review and Commission approval tariffs consistent with that Opinion and Order.
- (2) In accordance with the Opinion and Order, Applicant has submitted for Staff review and Commission approval proposed tariffs. Applicant also submitted a proposed customer notice for Staff review and Commission approval.
- (3) The Commission has reviewed the Applicant's proposed tariffs and finds that the Applicant's proposed tariffs would produce gross annual revenues not in excess of that authorized in the Commission's Opinion and Order. Moreover, the Commission determines that the proposed tariffs otherwise conform to the Opinion and Order. Accordingly, the Applicant's proposed tariffs are approved.
- (4) The Commission further finds that the Applicant's proposed customer notice of the increase in rates is appropriate and is, therefore, approved. Applicant should provide Staff with written notice upon completion of mailing of customer notice.
- (5) Since the Applicant does not send bills, the Commission determines that the effective date of the tariffs shall be the first of the month following the date upon which four complete copies of final tariffs are filed following the signing of this Entry.

It is, therefore,

ORDERED, That the Applicant's tariffs and customer notice are approved. It is, further,

ORDERED, That the Applicant immediately commence notifying customers of the increase in rates through special mailing. Such mailing shall be completed at least one week prior to the effective date of the new tariffs. Applicant should provide Staff with written notice upon completion of mailing of customer notice. It is, further,

ORDERED, That Applicant is authorized to file in final form, four complete, printed copies of tariffs consistent with this Entry. Applicant shall file one copy in its TRF docket number 89-7003-WW-TRF (or may make such filing electronically as directed in Case No. 06-900-AU-WVR), and one copy in this case docket. The remaining two copies shall be designated for distribution to the Rates Division of the Commission's Utilities Department. It is, further,

ORDERED, That the effective date of the new tariffs shall be the first of the month following the date upon which four complete, printed copies of final tariffs are filed with the Commission. The new tariffs shall be applicable to payments rendered on or after the effective date. It is, further,

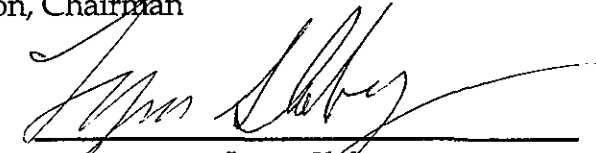

ORDERED, That nothing in this Entry shall be deemed to be binding upon this Commission in any subsequent investigation or proceeding involving the justness or reasonableness of any rate, charge, rule, or regulation. It is, further,

ORDERED, That a copy of this Entry be served upon the Applicant and other parties of record in this case.
