THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of the City )  
of Marion for Certification as a Natural Gas ) Case No. 02-1771-GA-GAG  
Governmental Aggregator. )

ENTRY

The attorney examiner finds:

- (1) On August 23, 2012, the Commission issued Certificate No. 02-019G(6) to the city of Marion (Marion), authorizing it to provide natural gas as a governmental aggregator in Ohio. The expiration date for the certificate was September 1, 2014.
- (2) Ohio Adm.Code 4901:1-27-09(A) provides that a natural gas governmental aggregator wishing to renew a certificate shall file a renewal application "[n]o less than thirty and no more than one hundred twenty days prior to the expiration date\*\*\*."
- (3) On August 21, 2014, Marion filed an application for renewal of its certificate, less than 30 days prior to the expiration of Certificate No. 02-019G(6). On August 11, 2014, Marion filed a motion for extension of the expiration date of the certificate until September 21, 2014. In its motion for an extension, Marion states that, the renewal certification filing was inadvertently overlooked when Marion's relationship with the third party energy broker was terminated.
- (4) Upon consideration of Marion's motion for extension of the expiration of Certificate No. 01-019G(6), the attorney examiner finds that the extension is necessary in order to provide Staff sufficient time to review the application. Therefore, the examiner concludes that the motion should be granted and the expiration date should be extended to September 21, 2014.

It is, therefore,

ORDERED, That the motion for an extension of Marion's certificate expiration date be granted. It is, further,

ORDERED, That the September 1, 2014 expiration date of Certificate No. 02-019G(6) be extended to September 21, 2014. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
