THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of the City)
of Fostoria for Certification as a Natural) Case No. 06-995-GA-GAG
Gas Governmental Aggregator.)

ENTRY

The attorney examiner finds:

- (1) On August 10, 2012, the Commission issued Certificate No. 06-119G(4) to the city of Fostoria (Fostoria), authorizing it to provide natural gas as a governmental aggregator in Ohio. The expiration date for the certificate was September 6, 2014.
- (2) Ohio Adm.Code 4901:1-27-09(A) provides that a natural gas governmental aggregator wishing to renew a certificate shall file a renewal application "[n]o less than thirty and no more than one hundred twenty days prior to the expiration date***."
- (3) On August 27, 2014, Fostoria filed an application for renewal of its certificate, less than 30 days prior to the expiration of Certificate No. 06-119G(4). On August 27, 2014, Fostoria filed a motion for extension of the expiration date of the certificate until September 30, 2014. In its motion for an extension, Fostoria states that, the renewal certification filing was inadvertently overlooked when Fostoria's relationship with the third party energy broker was terminated.
- (4) Upon consideration of Fostoria's motion for extension of the expiration of Certificate No. 06-119G(4), the attorney examiner finds that the extension is necessary in order to provide Staff sufficient time to review the application. Therefore, the examiner concludes that the motion should be granted and the expiration date should be extended to September 30, 2014.

It is, therefore,

ORDERED, That the motion for an extension of Fostoria's certificate expiration date be granted. It is, further,

ORDERED, That the September 6, 2014 expiration date of Certificate No. 06-119G(4) be extended to September 30, 2014. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
