Re: *In the Matter of the Construction Notice Application of Columbia Gas of Ohio, Inc. for a Certificate of Environmental Compatibility and Public Need for the Sawmill Road/Hard Road Mandatory Relocation Project.*  
Case No. 14-1164-GA-BNR

Dear Ms. McNeal:

Columbia Gas of Ohio, Inc. ("Columbia") filed a Construction Notice Application, pursuant to Ohio Adm. Code 4906-5-02(B) and 4906-11-02, on June 27, 2014, requesting a Certificate of Environmental Compatibility and Public Need for a proposed mandatory pipeline relocation project known as the Sawmill Road/Hard Road Mandatory Relocation Project (the "Project"). The Ohio Power Siting Board Staff issued its report on July 31, 2014, recommending automatic approval of the application subject to a condition. By letter filed on August 1, 2014, Columbia accepted that condition, and this application was automatically approved on August 9, 2014.

Per Ohio Adm. Code 4906-5-02(A)(5), Columbia is providing notification to the Ohio Power Siting Board that it anticipates beginning construction the Project on September 22, 2014.

If there are any remaining questions, please do not hesitate to reach out to me at the information listed above.

Respectfully submitted,

/s/ Melissa L. Thompson
