ENTRY

The Commission finds:

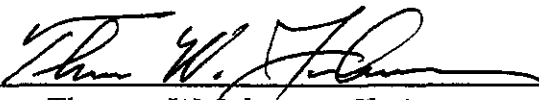

- (1) On May 16, 2014, Michael and Kaye Sherman (Complainants) filed a complaint against the Dayton Power and Light Company (DP&L). The Complainants alleged that DP&L overcharged them for electric service. They sought to have their bill adjusted.
- (2) DP&L filed an answer to the complaint on June 2, 2014. In its answer, DP&L denied all material allegations and moved to dismiss the complaint.
- (3) On July 22, 2014, the attorney examiner issued an Entry scheduling this matter for a settlement conference to occur on August 28, 2014.
- (4) On August 8, 2014, the parties filed a joint motion to dismiss the complaint. In the joint motion, the parties explain that they have entered into a full and comprehensive settlement and that they have resolved all issues and claims. The parties, therefore, request that the Commission dismiss the complaint with prejudice.
- (5) The Commission finds that the joint motion to dismiss the complaint with prejudice is well-taken and should be granted.

It is, therefore,

ORDERED, That, in accordance with finding (5), the joint motion to dismiss the complaint with prejudice be granted. It is, further,

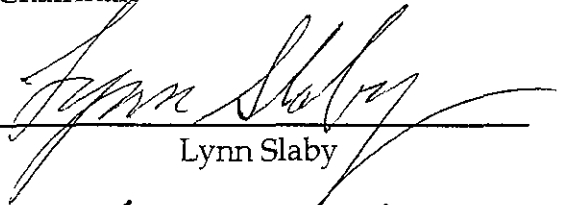

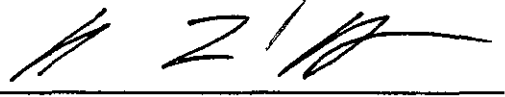

ORDERED, That copies of this Entry be served upon the parties and interested persons of record.
