**Re: Northwest Ohio Wind Energy, LLC, now Trishe Wind Ohio, LLC,
Case No. 13-0197-EL-BGN**

Dear Ms. McNeal:

On December 16, 2013, the Ohio Power Siting Board ("Board") issued a Certificate of Environmental Compatibility and Public Need subject to a number of conditions to Northwest Ohio Wind Energy, LLC ("NOWE"). On August 19, 2014, an application was filed requesting the Board to approve/recognize that the NOWE certificate is now held by Trishe Wind Ohio, LLC ("Trishe")

Condition No. 30 of the Board's Order requires the following:

Thirty days prior to any construction, the Applicant shall notify, in writing, any owner of an airport listed on the ODOT-OA Ohio Aeronautical Chart and located within two miles of the project boundary, whether public or private, whose operations, operating thresholds/minimums, or landing/approach procedures and/or vectors are expected to be altered by the siting, operation, maintenance, or decommissioning of the facility.

Since there are no airports listed on the ODOT Office of Aviation Ohio Aeronautical Chart and there are no airports within two (2) miles of the project boundary, no notification is required. Thus, Trishe has complied with this condition.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield

cc: Grant Zeto
