COMMENT DESCRIPTION:

Attention Case No. 14-0841-EL-SSO We care about our environment and do not need our rates being raised yet again. I have battled with Duke for years about our high electric rates, consistently higher than our neighbors. We recycle, we garden, we compost and use rain barrels. We turn lights out when we aren't in the room. We use a fireplace insert for heat in the winter. What is Duke doing for us? What is Duke doing for cleaner air?
