---

**APPLICATION OF THE DAYTON POWER & LIGHT COMPANY  
FOR APPROVAL OF A REVISED BILL FORMAT  
FOR ELECTRIC SERVICE  
AND FOR APPROVAL OF CERTAIN ACCOUNTING AUTHORITY**

---

1. Applicant the Dayton Power and Light Company (DP&L) is a public utility and electric light company as defined by R.C. § 4905.02 and § 4905.03(A)(4) respectively, and an electric distribution utility as defined by R.C. § 4928.01(A)(6) and is subject to the jurisdiction of the Public Utilities Commission of Ohio (the Commission).

2. DP&L requests the Commission’s approval of a bill format pursuant to the March 26, 2014 Finding and Order and May 21, 2014 Entry on Rehearing in Case No. 12-3151-EL-ORD and O.A.C. Sections 4901:1-10-22(C) and 4901:1-10-33(F). DP&L hereby requests approval of the sample revised bill format attached as Exhibits 1 through 4. Also attached as Exhibit 5 is a sample current bill format for ease of comparison against the revised bill.

3. DP&L’s proposed bill format has been modified to provide additional space on the bill for supplier logos, which are to be the same size and format (color, if provided) as DP&L’s logo, and will be located next to the “Supply Charges” section of the bill (Finding and

Order at 32, Entry on Rehearing at 23). The price-to-compare bill message has been modified on the revised bill format to reference the Commission's "Energy Choice Ohio" website at [energychoice.ohio.gov](http://energychoice.ohio.gov) (Finding and Order at 30). In addition, DP&L, at the suggestion of Staff in its Work Plan filed January 16, 2014 and supported by the Commission in its March 26, 2014 Finding and Order at 28, has revised its bill format to divide charges between "Delivery" and "Supply." Furthermore, this revised bill format provides customers with various additional informational and ease of use enhancements, including: a historical usage graph, average daily usage and temperature data, and an upgraded message center for important or required messages. The bill size is also being updated, with current bills measuring 6.5" x 10" and the proposed bills measuring 8.5" x 11". Finally, the back of DP&L's bill, which contains among other items DP&L's payment address, has also been changed slightly to reflect a more modern, reader-friendly format.

4. DP&L's objective in designing this revised bill format was to comply with the Finding and Order and Entry on Rehearing in Case No. 12-3151-EL-ORD, while also enhancing the customer experience with a bill that is more user friendly and clear to customers.

5. In the event the Commission issues a final order in Case No. 14-1411-EL-ORD prior to approval of this Application, DP&L's intent is to file an amended application in this docket to demonstrate the Company's planned compliance with that order. In order to minimize administrative costs associated with complying with the Findings and Orders in Case Nos. 12-3151-EL-ORD and 14-1411-EL-ORD, the Company intends to make one bill format change to incorporate changes mandated in both proceedings.

6. DP&L intends to implement the new bill format as soon as practicable but no later than six months after Commission approval of the application in this matter.

7. Pursuant to finding 19 of the Entry on Rehearing, DP&L is seeking approval to defer expenses related to the bill format changes. DP&L estimates these expenses to be approximately \$500,000.

8. The proposed bill format complies with the provisions of the Commission's Finding and Order and Entry on Rehearing dated March 26, 2014 and May 21, 2014, respectively, in Case No. 12-3151-EL-ORD, and should be approved pursuant to O.A.C. Sections 4901:1-10-22(C) and 4901:1-10-33(F) for the reasons stated above.

### **CONCLUSION**

DP&L respectfully requests that the Commission approve this Application to revise DP&L's current billing format for both its residential and nonresidential customers to comply with both the requirements of O.A.C. Sections 4901:1-10-22(C) and 4901:1-10-33(F) as well as the Commission's Finding and Order dated March 26, 2014 and Entry on Rehearing dated May 21, 2014 in Case No. 12-3151-EL-ORD and grant authority for the Company to defer expenses related to the proposed bill format enhancements.

Respectfully submitted,

/s/Judi L. Sobecki

#### Explanation of Billing Terms

**Actual Reading** A reading taken from your meter

**Delivery Charge** Utility charges that are assessed to all customers associated with equipment used to bring power to your home or business, billing and customer services, and Ohio energy efficiency related programs

**Estimated Reading** (EST or E) On the months we do not read your meter, we calculate your bill based on your past usage. Adjustments may be needed later when we take an actual meter reading. If you would like to read your meter to avoid estimated bills, call the DP&L Customer Service number with your meter reading.

**kWh** The unit measure for electricity. For example, you use one kilowatt hour of electricity to light a 100-watt bulb for 10 hours.

**Late Payment Charge** A 1 1/2% late charge added to the overdue amount if you do not pay your bill by the due date.

**PIPP PLUS** Percentage of Income Payment Plan

**Supply Charge** Charges associated with the generation of electricity including market-based transmission and ancillary services.

#### Additional Information

If your questions or complaints are not resolved after you have called Dayton Power and Light and/or your supplier, or for general utility information, residential and business customers may contact the public utilities commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll free) from eight a.m. to five p.m. weekdays or at <http://www.puco.ohio.gov>. Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio relay service).

The Ohio consumers' counsel (OCC) represents residential utility customers in matters before the PUCO. The OCC can be contacted at 1-877-742-5622 (toll free) from eight a.m. to five p.m. weekdays, or at <http://www.pickocc.org>.

To report or get more information about a power outage, call 877-4outage (877-468-8243) or report via web or smartphone at [dpandl.com/report](http://dpandl.com/report). You'll use the phone number on your account or your account number to report.

Pay your bill over the phone or internet with Speedpay.
