Public Utilities Commission of Ohio
Attn: Case Number 14-1297-EL-SSO
180 East Broad Street
Columbus, Ohio 43215

I care a great deal about our environment and strongly advocate the critical reduction of toxic pollution.

Furthermore, I deeply resent having to pay extra money to insure that old, dirty coal plants can continue to run. Please do not allow a rate increase for the state's outmoded, deteriorating coal plants.

Thank you.

Lynn Wood
