13-2385-EL-SSD

I am writing you to oppose AEP's request to bail out its old dirty coal plants. Dirty coal plants make Ohioans sick and I don't want to pay to keep them running.

We live in a time where safer, more environmentally friendly alternatives exist and we need to move Ohio in the direction that many other states and countries are moving - away from dirty energy.

Please consider these comments when reviewing AEP's request.

Thank you,
