**East Springfield-London-Tangy 138 kV Transmission Line Project**  
**Case No. 11-4884-EL-BTX**

Dear Mr. O'Dell,

This letter is in response to the Opinion, Order and Certificate issued on March 11, 2013 for the East Springfield-London-Tangy 138 kV Transmission Line Project. Please be advised that these facilities began commercial operation on December 19, 2014. Minor construction activities, primarily maintaining erosion controls while vegetation becomes reestablished in areas disturbed by construction, are still underway and are expected to be completed in Spring 2015. A notification letter will be sent when all construction activities are completed.

If there are any questions concerning this matter, please contact me at (330) 384-5955.

Sincerely,

Jessica Thacker  
Supervisor, Transmission Siting  
Energy Delivery Transmission  
and Substation Design  
FirstEnergy Service Company
