Subject: Impending rate hike CASE#14-1297-EL-SSO

First Energy, let me appeal to your sense of fairness as far as the rate hike is concern. I am on pension, with limited income along with many of your other customers. \$ 3.50 doesn't sound like much but when added up over years period it can be substantial. Please be reasonable with your customers. Give us a break PLEASE. THANK YOU Don Lerchbacker one of your faithful customers
