Re: William Parsons
586 Township Road 111

Ironton, OH 45638

Docketing Case No.: AEP

Notes:

Please docket the attached in the case number above.

What the electric company is doing to the people of Ohio is a travesty. People should not have to pay these ridiculous prices. For example other states do not have all of the transmission fees you add on to raise the bill. The rates should not be this high. You are mistreating the people in the state of Ohio.
