**Re: Letter of Notification of Compliance for a Second Stage of
Construction by Trishe Wind Ohio, LLC,
Case No. 13-197-EL-BGN**

Dear Ms. McNeal:

The December 16, 2013 Opinion, Order, and Certificate approving Northwest Ohio Wind Energy, LLC's [now known as Trishe Wind Ohio, LLC ("Trishe")] Certificate of Environmental Compatibility and Public Need ("Certificate") and the October 1, 2013 Supplement to Amended Application ("Supplement") established a set of conditions and supplemental commitments as part of the Certificate.

Within this set of conditions and commitments, **"Certificate Condition No. 15"** requires that:

Construction in northern harrier preferred habitat types shall be prohibited during the nesting period of May 15 to August 15.

There will be no construction in northern harrier preferred habitat. Thus, this letter is to inform the OPSB Staff that Trishe is in compliance with the above-mentioned condition.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
