ENTRY

The attorney examiner finds:

- (1) On November 24, 2014, William Matisak (Complainant) filed a complaint against The East Ohio Gas Company dba Dominion East Ohio (DEO), asserting numerous difficulties scheduling an appointment in late September 2014 and early October 2014 for gas service to be turned on at his property.
- (2) DEO filed its answer on December 15, 2014, contending that, when its service representative arrived at Complainant's property, no one was present to provide access to the gas meter.
- (3) By Entry dated January 20, 2015, the attorney examiner scheduled a prehearing conference for January 28, 2015. However, Complainant did not attend the conference, nor did he contact DEO or the attorney examiner before or after the conference.
- (4) Accordingly, Complainant is directed to file a letter in this case no later than February 18, 2015, setting forth several possible dates in March 2015, that Complainant can attend a settlement conference at the Commission offices in Columbus. If Complainant fails to do so, the complaint may be dismissed for lack of prosecution.

It is, therefore,

ORDERED, That Complainant file a letter in this case, no later than February 18, 2015, setting forth dates in March 2015, that he can attend a settlement conference at the Commission offices in Columbus. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
