Re: *Natali-Butcher v. DEO*, Case No. 14-1983-GA-CSS – Status Update

Dear Ms. McNeal,

On February 10, 2015, the attorney examiner issued an entry requiring each party to “file a status update in this case by February 20, 2015, indicating whether they are engaged in settlement discussions and whether it is necessary for the attorney examiner to establish a procedural schedule to resolve this complaint.” This letter represents the status update on behalf of The East Ohio Gas Company d/b/a Dominion East Ohio (DEO).

DEO believes that the complaint has been resolved and that the situation has been addressed to complainant’s satisfaction. DEO does not believe that any further proceedings will be necessary.

Please let me know if there are any questions.

Regards,

/s/ Andrew J. Campbell
