

BEFORE

THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Commission's Review)
of Chapter 4901:1-10, Ohio Administrative) Case No. 12-2050-EL-ORD
Code, Regarding Electric Companies.)

ENTRY

The attorney examiner finds:

- (1) R.C. 106.03 requires state agencies to conduct a review of their rules and to determine whether to continue their rules without change, amend their rules, or rescind their rules.
- (2) On January 15, 2014, the Commission issued its Finding and Order in this case adopting amended and no change rules contained in Ohio Adm.Code Chapter 4901:1-10. The Commission ordered that the amended and no change rules be filed with the Joint Committee on Agency Rule Review, the Secretary of State, and the Legislative Service Commission, in accordance with Divisions (D) and (E) of R.C. 111.15.
- (3) Thereafter, on February 14, 2014, Direct Energy Services, LLC (Direct Energy), the Ohio Hospital Association (OHA), The Dayton Power and Light Company (DP&L), Duke Energy Ohio, Inc. (Duke), the Ohio Power Company (Ohio Power), Ohio Edison Company, Toledo Edison Company, and the Cleveland Electric Illuminating Company (collectively, FirstEnergy), and IGS Energy (IGS) filed applications for rehearing. Memoranda contra the applications for rehearing were filed by the Interstate Renewable Energy Council, Inc. (IREC), Direct Energy, IGS, FirstEnergy, and the Ohio Consumers' Counsel (OCC). Many of the issues raised in the applications for rehearing related to the net metering provisions in Ohio Adm.Code 4901:1-10-28.
- (4) On March 12, 2014, the Commission issued an Entry on Rehearing granting rehearing for further consideration of the matters specified in the applications for rehearing. Thereafter, on May 28, 2014, the Commission issued a Second Entry on Rehearing granting, in part, and denying,

in part, the applications for rehearing filed by DP&L, FirstEnergy, Duke, Ohio Power, Direct Energy, and IGS. Additionally, the Commission denied the application for rehearing filed by OHA.

- (5) Subsequently, on June 27, 2014, FirstEnergy filed an application for rehearing asserting assignments of error related to the Commission's second entry on rehearing. Thereafter, on July 7, 2014, a memorandum contra to FirstEnergy's application for rehearing was filed by IGS. The assignment of error raised by FirstEnergy in its application for rehearing, and addressed by IGS in its memorandum contra, related exclusively to the net metering provisions in Ohio Adm.Code 4901:1-10-28.
- (6) On July 23, 2014, the Commission issued a Third Entry on Rehearing denying the application for rehearing filed by FirstEnergy.
- (7) At this time, the Commission finds that additional input from stakeholders would be beneficial for the Commission as it considers further potential revisions to Ohio Adm.Code 4901:1-10-28, regarding net metering. Accordingly, the attorney examiner finds that a workshop should be scheduled for May 5, 2015, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, 11th Floor, Hearing Room 11-B, Columbus, Ohio, 43215.
- (8) Interested stakeholders should come to the workshop prepared with necessary technical experts to provide appropriate feedback. After Staff has an opportunity to consider the feedback received at the workshop, proposed rule revisions may be issued by the Commission for comment and reply comment from interested stakeholders.

It is, therefore,

ORDERED, That a workshop be scheduled for May 5, 2015, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, 11th Floor, Hearing Room 11-B, Columbus, Ohio, 43215, in accordance with Finding (7). It is, further,

ORDERED, That a copy of this Entry be served upon all electric utilities in the state of Ohio, all certified competitive retail electric service providers in the state of Ohio, the Electric-Energy industry list-serve, and all other parties of record.
