Re: Carroll County Energy LLC  
Case Nos.: 13-1752-EL-BGN and 14-2085-EL-BGA

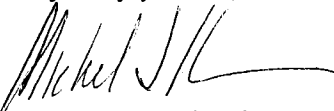

Dear Ms. McNeal:

Earlier today, the Ohio Power Siting Board's Staff issued correspondence to Carroll County Energy LLC approving tree clearing related to the Board's approval of an amendment to the Board's April 28, 2014 Certificate of Environmental Compatibility and Public Need ("Certificate") issued in Case No. 13-1752-EL-BGN. The amendment was issued in Case No. 14-2085-EL-BGA and approved by the Board on March 9, 2015.

Please be advised that tree clearing related to the amendment will occur no later than March 31, 2015, and that Carroll County anticipates commencing tree clearing on March 16, 2015. This information was verbally communicated to Staff earlier today.

Please call me or Amy Frazier, Associate General Counsel and Manager, Environmental Permitting, Advanced Power Services (NA) Inc. at 617-456-2209 if you have any questions regarding this correspondence.

Very truly yours,

Michael J. Settineri
