Re: Trishe Wind Ohio, LLC, Case No. 13-197-EL-BGN

Dear Ms. McNeal:

The December 16, 2013 Opinion, Order, and Certificate approving Northwest Ohio Wind Energy, LLC's [now known as Trishe Wind Ohio, LLC ("Trishe")] Certificate of Environmental Compatibility and Public Need ("Certificate") and the October 1, 2013 Supplement to Amended Application ("Supplement") established a set of conditions and supplemental commitments as part of the Certificate.

Within this set of conditions and commitments, **Certificate Condition No. 10** requires that:

As the information becomes known, the Applicant shall provide Staff the date on which construction will begin, the date on which construction was completed, and the date on which the facility begins commercial operation.

After a preconstruction meeting held on March 5, 2015, the Board authorized Trishe to commence tree clearing activities along crane paths in a letter dated March 9, 2015. In part, this authorization requires Trishe to provide the Board notice of the start and completion dates of construction.

In compliance with Certificate Condition No. 10 and as directed by Staff, tree clearing activities commenced today, March 17, 2015.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Sally W. Bloomfield
