

To Whom It May Concern:

This letter is in regard to renewal applications for the brokerage of natural gas and electricity by H. P. Technologies, Inc. being sent in too early. I was under the impression all filings had to be in by April 1st. This information was incorrect as we are to file 60 -30 prior to the expiration of the licenses.

Please disregard any renewal information sent to the Public Commission of Ohio Docketing Division. Please withdrawal the applications.

I will file when the time is right later this year. Thank you for your time and please accept my apologies for the mistake.

David Ramos Project Manager
