Attention Case # 14-0841EL-SSO

180 East Broad Street

Columbus, Ohio 43215

3/19/2015

Dear PUCO,

My family and I care greatly about reducing toxic pollution and saving money on our electric bills.

I feel the Duke Energy bailout is not in the consumer's best interest. This proposal will raise our our utilities. We should not have to pay the cost of these outdated coal plants.

A bailout of old, polluting technology only benefits utility shareholders and delays inevitable investment in efficiency and renewable energy.

Thank you,

Chrisanthi Konstantinou Binzer
