ATTENTION CASE NUMBER 14-0841EL-SSO  
180 East Broad Street  
Columbus, Ohio 43215

RECEIVED-DOCKETING DIV

PUCO

To Whom It May Concern:

I am writing today because as a Public Utility consumer I am not going to stand for a bailout of the state's outdated coal plants. My family and I care about reducing toxic pollution and saving money on our electric bills.

Please deny the rate increase to lock consumers into buying power from Ohio's oldest, dirtiest coal plants. A bailout of old, polluting technology only benefits utility shareholders and delays inevitable investment in efficiency and renewable energy. Thank you.

Sincerely,

MICHAEL BROCKMAN
