**THE EAST OHIO GAS COMPANY D/B/A DOMINION EAST OHIO'S
STATEMENT INFORMING THE COMMISSION WHETHER
THE ISSUES RAISED IN COMMENTS HAVE BEEN RESOLVED**

In accordance with the Commission's March 3, 2015 Entry, The East Ohio Gas Company d/b/a Dominion East Ohio (DEO) hereby informs the Commission whether the issues raised in the comments have been resolved.

Staff filed Comments on March 27, 2015, and recommended removing certain expenses from DEO's calculation of call-center savings. (Staff Comments at 5–9.) Removal of these expenses has the effect of increasing the savings attributed to the call center; such savings are credited to the AMR Cost Recovery Charge. But, as Staff recognized, the proposed adjustment has no effect on the amount of the charge: "The difference between the Staff-recommended revenue requirement amount and DEO's proposed amount . . . does not impact the AMR Customer Charge rate proposed by DEO due to the effects of rounding." (*Id.* at 9.) Accordingly, Staff "recommend[ed] that the Commission approve an AMR Customer Charge of \$0.55 per customer per month." (*Id.*) No other party filed comments in this case.

Although DEO does not support the adjustment proposed by Staff in this case, DEO is not opposing it. Given that no issues raised in the comments require Commission resolution, and given that Staff (the only party to file comments) recommended approval of the AMR Cost Recovery Charge, DEO believes that a hearing in this case is unnecessary. *See* Entry ¶ (3)(f)

(Mar. 3, 2015) (“*In the event* that all of the issues are not resolved or the parties enter into a stipulation, a hearing shall commence”) (emphasis added). Therefore, DEO respectfully requests that the Commission approve its February 23, 2015 Application as filed.

Dated: April 1, 2015

Respectfully submitted,
