Re: Redacted Information – Case Nos. 12-1842-GA-EXM

Dear Secretary McNeal:

On April 1, 2015, the Attorney Examiner in this proceeding issued an Entry notifying parties that the Ohio Partners for Affordable Energy requested access to confidential information submitted by competitive retail natural gas providers to the Staff of the Public Utilities Commission of Ohio ("Commission"). Concurrently with this letter, Interstate Gas Supply, Inc. ("IGS") filed a motion requesting that the Commission provide protective treatment with respect to confidential information IGS submitted to Staff. Attached to this letter, IGS has provided a redacted version of the confidential information.

IGS also requests an additional five days to perform a more thorough review to determine whether it submitted additional confidential information to Staff. To the extent that IGS identifies additional confidential information, IGS will submit additional redacted documents accompanied by an appropriate motion for protective order. Furthermore, IGS supports the motion for extension filed by the Retail Energy Supply Association and Ohio Gas Marketers Group.

Very truly yours,

/s/ Matthew White
