To Whom It May Concern:

When I filed my complaint, I did not include a request for my service not to be disconnected while my complaint is being heard. I am requesting in accordance with the administrative rule that my service with Dominion Gas not be disconnected due to the back balance of \$2,200. I am disputing the bill, and while the case is being considered, I will continue to pay my current heap payment for the current property at 1727 Edwards Ave, Canton, Ohio 44705

Thank you,
